argenterie greggio

the long experience of gruppo greggio, acquired and perfected through more than 50 years . . .

thanks to its refined style, its excellent quality and sober elegance, italian silver has found with the trade mark greggio a place of prominence on tables and in households the world over.

it is easy to identify with items of the argenterie greggio collection. they range from classical to modern, in a great variety of shapes and designs which cater for just about every taste, and all in real italian style.
